Chairperson's Report

This year has been an extremely busy one as can be seen from the following Secretary's Report.

However none of what has been achieved could have been done without the interest, support, skills and commitment of the members of E.C.W.A Committee, who currently are:

Trevor Brown (Trustee)
William Castledine
Brenda Gleadle
Marion Martin (Trustee, Secretary, Treasurer)
Nikki Walker (Trustee)
Mick Walsh (Trustee)

I would like to take this opportunity to thank the team whole heartedly for this past year of local community volunteering. It has been a steep learning curve for a number of us however it has also been hugely enjoyable with lots of fun, laughter and banter along the way!!

We have also during this past year had changes to the Committee and have lost:

Tracy Hall (ex Treasurer and Trustee)
Peter Walker (ex Vice Chairperson and Trustee)

We do appreciate the work and support that both these individuals have given in their Committee roles and that due to changes in personal circumstances they have had to stand down however it is quite telling that although no longer formally on the Committee both continue to quietly give behind the scenes help and support when needed. Thank you.

We are also very aware that we are building on a legacy left to us from the previous Committee and as such we would like to take this opportunity to express our thanks to those individuals, for their work and commitment during their time, namely:

Sarah Crow (ex Trustee)
Susan Kent (ex Chairperson and Trustee)
